Practices will take place every Monday & Wednesday at 3:30 for the months of April and May. First practice will be Monday April 4th at 3:30-3:50. Students must have a signed permission slip in order to participate (see 1st link below). The end of practice will vary depending on the distances covered that day (see. 2nd link below). All students will receive a training calendar with distances AND end of practice times. Typically the first week will be done by 3:50 and the last practice in May will end around 4:30.

Students should have a good pair of athletic shoes and dress appropriately for the weather. We will be training outdoors. If it is raining, we will run indoors. Parents are also invited to join us for training, joggers and walkers are welcomed.

The More We Read, The Warmer We Get

These three students will warm your heart with all the reading they do at school! Cori, Vance and Gabe painted a quilt square each time they dove into a book and spent time becoming stronger readers. Now they can cozy up at home and share stories with their families. Each quilt has 24 squares on it, representing 24 of the many books they read. So proud of them!
