Thank you to residents who attended listening sessions, asked questions, and voted. Your engagement demonstrates our communities' interest and dedication to our students, staff and schools.

The results represent a vote of confidence in the vision for the school district and will allow us to address critical needs, including reducing class size, enhancing teacher compensation, and maintaining facilities. We will continue to give regular updates on the referendum.

If you have any questions for the Board of Education, please reach out to your school board member.

Staff Spotlight

So which staff member has two golden retrievers and has recently returned to work? **It's Mrs. Eickholt!**

Mystery for this week:

This teacher is the ultimate Packer fan! Diet Coke is her beverage of choice during the day, and she was a social worker prior to getting her teacher degree.

The answer will be revealed in next week's newsletter!

every Friday for just \$1.00.

Dress Code Updates

It is finally time to break out the shorts, sandals and t shirts! Please keep in mind that shorts should be worn under dresses; and sandals and flip flops are not approved footwear for gym class. Please consider sending a pair of tennis shoes that can be kept in your child's basket so they are always prepared for gym class. Just a reminder to also encourage your student to bring a water bottle; as remaining hydrated throughout the day is important for their body on many levels.

Incoming third and fourth grade students are invited to participate in our 19th annual Reading Olympics. Please click on the links below to learn more about this fun-filled program. Students will learn more about Reading Olympics in their library lessons during the month of May.
