Morning Drop Off Reminder

Do you drop off your child before school? I would like to remind everyone that the circle drives are for immediate drop off only, and not a waiting zone. We ask that students get out of the car upon pulling up in the circle. Traffic is getting backed up due to students waiting in the car for the bell to ring and then those cars are unable to get to the curb to drop off their child. Again, please have your child exit the car upon reaching the curb in the circle. Thank you for your cooperation and respect towards all families trying to drop off in the morning.

Lost and Found

On Friday the lost and found was straightened and items were checked for names. **None** of our lost items have any names in them. We have 4 full racks of jackets, sweatshirts, sweaters that need to be claimed. We have mittens, gloves, hats, water bottles and a couple of books too! When you are in the building, please go through the items if your child is missing anything.

Remember to put your child's name in their snow pants, coats, hats, boots and jackets. Winter is coming and do you know how many black snow pants there are? This will help your child find their lost items quickly!

EMERGENCY CLOSINGS AND DELAYS

Inclement weather may necessitate the closing or delay of schools. If schools are closed this will also include the cancellation of extracurricular activities and the events in the community pool unless otherwise announced. Please listen to local radio or television stations for school closings or delays. Such weather may also deter students from going outside during the school day. Please be sure that students are dressed appropriately for the weather. In addition to local radio and television, weather conditions can be checked on-line at www.hssd.k12.wi.us. Click on the Wunderground link for local weather conditions and forecasts.

Box Tops for Education

Hello families. Once again Meadowbrook Elementary School will be participating in Box Tops for Education. Clipping Box Tops is an easy way for you

to help our school earn cash used to purchase classroom or school tools.

This school year, please send in your box tops trimmed in bags of 25 or 50 count at any time. Box top totals will be added to a grade level Google Spreadsheet that will track box top totals at each grade level for each teacher. Totals will be reported out monthly in your last newsletter of the month starting in November 2015.

If you have any questions, please don't hesitate to contact coordinator Julia Geiser at mrsgeisersclass@gmail.com
