It appears that the cold weather is here to stay, so please make sure your child has their snowpants and boots at school for recess. Waterproof gloves and a warm hat are also needed. PLEASE label all of your child's things; as you can only imagine how many pair of black snowpants we have in the building. If they come home and are missing an item; please have them stop in the lost and found which is located right outside the gym. Thank you for your cooperation!

The Brown County Health Department will be coming to Meadowbrook on Tuesday, December 4th to test the vision of our kinder, 1st and 3rd grade friends. If you have a child in 2nd or 4th grade that you would like to be tested; please call the office at 662-5000; or reach out to your child's teacher. If you do NOT want your child tested, you can also contact the office or speak with your child's teacher. Any children who are new to Brown County this year will also be tested. We also need two parent volunteers to assist that morning, please contact the office if you would like to volunteer from 8:30-12:30 that morning.

Do you have a red or white *poinsettia* the Holiday Concert could use the week of December 10-14. You can find more information...

## School Board Representative

During our annual meeting last month, community members received a detailed review of the school district's 2018-19 budget and at the October 22, 2018 School Board Meeting, the Board of Education approved a levy of \$26,570,826, which supports a district budget of \$89,505,581 – an increase of 3.18% from the previous year. This levy will result in the school's portion of our property taxes remaining stable at \$9.19.

In addition, the Board shared with community members the proposed purchase of 10 acres of land directly in front of Bay Port High School. After significant consultation with leaders in real estate, the community and local businesses, the district formed a plan to move forward with an offer.

The source of funds for the purchase will come from two sources:

- \$389,000 from the sale of surplus land
- Approximately \$1.5 million from an assigned district account of which the funds are specifically designated only for capital projects/purchases.

This acquisition represents the beginning of a long-term process in which the district is developing a "best-use" plan on leveraging this resource for future students. We hope the 2018-19 budget and this land purchase demonstrate to our community and students that we value their education today and well into the future. If you have any questions for the Board of Education, please reach out to your Board member located in this article.

## Movie vouchers for following the Bulldog Way!

Following The Bulldog Way at school just got more rewarding. This school year, students who earn 30 paw points will be eligible to earn a voucher for movie tickets. As part of Marcus Theatres' Student Motivation Program, each voucher is good for buy-one-get-one admission at the box office at any Marcus Theatres location. The vouchers will be available as an office prize and so when students cash in

their paw points they can ask for an office prize which will allow them to pick out the movie voucher.
