## From Your School Board

Jeff Eilers

Representative

The Community Task Force has completed its work and presented the Board of Education with a recommendation to help drive our district forward. Through their work, the Task Force gained insight into our district's current budgeting process and past financial decisions. To learn more about our District and our mission to move forward, **please join us at a Fall School Board Connection on November 30th at 6:00 p.m. in the District Office Community Training Center, 2706 Lineville Road.** This exciting event will showcase our students in the culinary arts program as well as our award winning Bay Port orchestra string quartet. If you have any questions for the Board of Education, please reach out to your team member located in this article.

## It's Almost time for Winter Gear

As soon as the snow falls; boots and snowpants are required in order for the kids to enjoy the entire playground. If they do not have winter gear; they will be asked to remain on the black top. PLEASE label your children's items; as you can only imagine how many pair of black snow pants are hanging in the halls of Meadowbrook. Masking tape works great; even a last name and grade level helps immensely. If you choose to leave a set of boots and snowpants at school; they will be sent home periodically for washing. We also encourage you to send an extra pair of gloves in their backpack; as many are still damp at dismissal. Thanks in advance!
