Have you ever been to Ellis Island?

As part of our Immigration Unit, all third grade students will be immigrating to the United States through Ellis Island. We are setting up a simulation of Ellis Island in the Library Media Center, and we need your help!! Would you be available on Tuesday, January 9th 8:30 - 11:00 to help with the Ellis Island Quest? The students will be starting their journey at 9:00.

We are asking moms, dads, grandparents and others in our community to help us with this simulation as inspectors, investigators, or doctors. You would be given one of these roles on "Ellis Island" where you would pose questions to the students, check over their paperwork to be certain they have proper identification, or examine them briefly for any illnesses. We want to be certain that these new immigrant families do not carry disease; and that they are capable of doing a job that would be beneficial to the United States. Your parts are scripted, but as you get a feel for the questioning, you may adlib and really get into your role! We mainly ask that you enjoy the day while you help the students pass through Ellis Island. Our goal is for all students get a feel for what it may have been like for immigrant families as they entered their "new world." It is sure to be an experience both you and your child will remember from their year in 3rd grade!

If you would be able to help out, please email Mrs. Wick at michwick@hssd.k12.wi.us. You will truly enjoy the experience!

Sincerely,
Mrs. Tousignant, Mrs. Crabb, Mrs. Fisher, Mrs. Style, and Mrs. Wick

Sooner or later the snow will fall - and then - boots and snowpants will be required in order for the kids to enjoy the entire playground. If they do not have winter gear; they will be asked to remain on the black top. PLEASE label your children's items; as you can only imagine how many pair of black snow pants are hanging in the halls of Meadowbrook. Masking tape works great; even a last name and grade level helps immensely. If you choose to leave a set of boots and snowpants at school; they will be sent home periodically for washing. We also encourage you to send an extra pair of gloves in their backpack; as many are still damp at dismissal. Thanks in advance!
