"Looking for an easy way to support the Meadowbrook PSA, and get a little Holiday shopping done at the same time! We have good news, we have you covered! The Script program is back! This is a fundraiser that allows you to purchase gift cards from local and national retailers at face value, with a percentage of that purchase returning to the PSA! How neat is that?! Orders forms have been sent home with students this week, and all forms will be due back NO LATER THAN Friday, November 17, 2017. Gift cards will be distributed and sent home with your student the week of December 4, 2017."

"The PSA board would like to express our appreciation for the monetary donations that we have received so far, in order to support "Phase 2" of the library renovation project. Your personal commitment is incredibly helpful, as this will continue to get us closer to reaching our goal of \$10,000.00. Your assistance means so much to us, but even more to current and future students! Thank you again, from all of us!"

Looking for a fun and easy way to earn some extra money for Meadowbrook? Fundraising nights at Sweet Mimi's are back!! **Every second Thursday starting on 11/09!** Mention "Meadowbrook" at the checkout on the second Thursday of each month, and we earn 20% of the total sales on your purchase. Teamwork (noun) – the combined action of a group of people, especially when effective and efficient.

At the Howard Suamico School District, teamwork is demonstrated in many different ways. Our students participate in teamwork with athletics, music, theatre, and especially academics. Our students work together as a group, to learn, grow, and share. Teamwork is showing at Bay Harbor Elementary, where the students are preparing for the annual Fall Fest Fundraiser; Suamico Elementary is displaying teamwork at their Buddy Bench during recess; and Howard Elementary is showing their teamwork with Popcorn Fridays. Our Board of Education and administrators use teamwork to drive our mission forward. Currently, we are engaged with a Community Task Force, teaming community members with district administrators to better understand our district needs and opportunities. The goal of the Community Task Force is to make a recommendation for the Board of Education to consider. As we see every day in the Howard Suamico School District, with teamwork we can accomplish anything. If you have any questions for the Board of Education, please reach out to your team member located in this article.

Each month students can be nominated by any staff member for the "Leader of the Pack Award". These awards are given to students who are consistently displaying "The Bulldog Way" or have went above and beyond school expectations. The following students were recognized for their October accomplishments. Bottom Row: Cole Doyle-Andrews, Izzy Nowak, Luke Chevalier and Christian Flores. Top Row: Kadelyn Hanson, Eli Xiong, Hudson Butnick and Ryder Storm.
