## Speak Up 2016

The Speak Up Research Project polls K-12 students, parents and educators about the role of technology for learning in and out of school and represents the largest collection of authentic, unfiltered stakeholder voice on digital learning.

Since 2003, more than 4.5 million participants have shared their views and ideas through Speak Up. Education, business and policy leaders report that they use the data regularly to inform federal, state and local education programs. The Speak Up 2016 online surveys open October 12, 2016 through December 16, 2016. Please read more at [Speak Up 2016 Flyer](#).

**Please copy and paste your school's password attachment to do the survey**
