### Head Lice:

Now that we are all back to school, a reminder to all that with close contact comes the increased chance of spreading head lice. Please help us by taking initiative on checking your child's hair closely if you suspect head lice. Here is a link to more information on head lice as well as prevention and treatment methods.

hello! my name is Carrie LaFrombois and my role at Meadowbrook is a reading interventionist. I bring to this role twenty-five years of teaching experience in special education. The majority of those years were working at Suamico Elementary. Both my undergraduate and graduate degree came from the University of Oshkosh. My husband, Steve, and I have two boys, Owen and Caleb, who attend Lineville Intermediate and Bay View Middle Schools. The boys keep us busy with many sporting events. Caleb swims for the Storm Breakers and Owen plays football at Bay View. Both boys train with Green Bay Multisports and participate in triathlons. Our family also includes the cutest roan colored cocker spaniel! His name is Dodger. As a family, we enjoy participating in the seasonal sports and going on vacations. When I have time, I enjoy reading, running, cooking, and scrapbooking. I am really excited to develop my role as reading interventionist at Meadowbrook and to work with the students, staff, and families. If you ever need to contact me I can be reached at 662-5024 or [carrlafr@hssd.k12.wi.us](mailto:carrlafr@hssd.k12.wi.us).
