### Head Lice:

Now that we are all back to school, a reminder to all that with close contact comes the increased chance of spreading head lice. Please help us by taking initiative on checking your child's hair closely if you suspect head lice. Here is a link to more information on head lice as well as prevention and treatment methods.

## ATTN: MY SCHOOL BUCKS USERS

It appears that the auto-pay settings have fallen off some accounts in the transition from MyLunchMoney (MLM) to MySchoolBucks (MSB).

Many students are coming through our lines with the expectation that payments are automatically processing to their accounts, but we're finding that their account balances are becoming depleted. To avoid any break in service to your student(s) at mealtime, PLEASE RECHECK YOUR SETTINGS AND CARD INFORMATION AND RE-ENABLE THE AUTO-PAYMENT FUNCTION if applicable.

Thank you for your prompt attention to this.

## Let's Talk!

with Mrs. VanAsten, Speech-Language Pathologist

Hello! My name is Katie VanAsten, and I am the Speech-Language Pathologist (SLP) for students at Meadowbrook Elementary school. As an SLP, I work with students who have diagnosed speech and language delays. These delays include articulation (speech sounds), grammar, expressive and receptive language, voice, or fluency (stuttering). This is my 9th year working at Meadowbrook, and while I get the privilege of working with many of the students that come to our school, I know there are more still that I do not get to meet. Language is such a large part of our lives, and I would like to take an opportunity each month to share what I hope will be some

useful, easy tips for enhancing the speech and language skills of ALL students. Look for my "Let's Talk!" article in the newsletter on the last Friday of each month.

In addition, I would like to extend an invitation to each family at Meadowbrook to attend the next PSA Meeting on Tuesday October 6th at 6:30 pm. I will be presenting on the Expanding Expression Tool (EET). All students in grades Kindergarten, First, and Second will be utilizing this tool in their classrooms this year. I implemented this program last school year, and the students (and teachers alike) showed great enthusiasm about it! I'm excited to share more with you, and look forward to seeing many of you on Tuesday October 6th.

Communication is empowering. Thank you for your support, and I wish all the best to each student and family at Meadowbrook Elementary School!
