Note from the Principal

Dear Families,

We have had an outstanding start to the school year. We were all very excited for the start of school and our students have done an excellent job of transitioning from summer mode to school mode. I feel truly lucky to be part of the Meadowbrook family and am looking forward to a wonderful school year.

Our school is fortunate to welcome several new families to Meadowbrook this year, both in kindergarten as well as the other grades. We hope to see all the new faces as well as our wonderful familiar faces at our monthly PSA meetings held the first Tuesday of each month at 6:30 in the Meadowbrook library starting Tuesday, Sept. 8th.

During the first few days of school our teachers have introduced our "Bulldog Way – Be Safe, Be Respectful, and Be Responsible". These expectations will be implemented throughout the school year while in the classroom, hallways, lunchroom, playground and to and from school. The students traveled to many locations within the school to hear about and practice these expectations. We hope that by presenting expected behaviors that we better set up our students to know

Education Degree from Concordia University. I went on to acquire my

Masters in Curriculum and Development from Concordia University in 2012. Previously, I worked in the district at Forest Glen Elementary School in both the 3rd and 4th grades and then at Lineville Intermediate in 5th grade. I currently live in Suamico with my husband Brian and our three sons: Brayden, Brock and Brody. This past summer my family took an incredible trip to Yellowstone National Park and spent a great deal of time at our cabin in Lakewood, Wisconsin where I love to read, go boating, and fishing. I feel blessed to have the opportunity to work with the incredible Meadowbrook and Howard families and staff. You can reach me at: lyzemaro@hssd.k12.wi.us or at 662-5098.
