about your child's progress unless we have court documentation directing us not to do so.

Questions regarding policies dealing with these types of matters should be directed to Becky Zimmer, Meadowbrook principal, or you can access more information on the District web site.

Attendance/Absentee Procedures

Parents are required to call us anytime their child is absent. Please call the school attendance line at 662-5036 prior to 8:30 am; this line is available to take calls 24 hours a day. If we do not receive a call on an absent student, a follow up call will be made so we can verify the whereabouts of your child. The safety of your child is our top priority; so we take this process very seriously. If you do not call in prior to 8:45 am with the reason your child will be absent or tardy, an unexcused absence will be recorded.

Extended Absences: If you are planning a family vacation, etc. please pick up an Excused Absence Request Form from our office; or download and print one from the District web site. Forms should be completed and returned to the office or classroom teacher at least one week prior to the start of the absence. All extended absences must be approved by the building principal; and a copy of the approved form will be sent home with your child.

The Excitement is Building! Meadowbrook Elementary Introduces: The 2017-2018 Showcase of Student Learning!

As we look forward to the upcoming year, we are excited to announce that we will be sharing the work of our incredible students at various events throughout the school year. After reflecting on the Interest Fair, we decided as a staff that we wanted opportunities for all students to share their passions, hard work, and creations. This may be a special poem, crafted project, or even a new math strategy. So, instead of having an Interest Fair next year, teachers will be working with students to share their masterpieces throughout various times of the school year. You can look forward to seeing these amazing works at Donuts for Dads, Muffins with Moms, Conference Nights, Meadowbrook Carnival, Literacy Night, and others. We are so excited for our parents to be able to see the incredible things that are happening in our school more than just one night a year! So get ready for the Shock and Awe as we prepare to amaze you with our student's work throughout the school year next year!
