

Veteran's Day Assembly- November 10, 2017 9:00 a.m.

The Special Education Students would like to do a collection **on** Veteran's Day this year for our troops around the world to recognize all that they have given up and do for us every day. They will be sent to "Operation Shoebox". It's a non-profit organization that makes up care packages to ship to our troops. They use these single-serving drink packages to make their drinking water more palatable for the soldiers. Please consider donating a box of single-serving drinks, such as Kool-Aid, coffee, Crystal light, etc. Your donation is greatly appreciated!

*** Please bring in the boxes on November 10th if possible. If not, there will be a red tub with a red, white, and blue ribbon outside the cafeteria.
